# Join the SCGC at the first-ever Safety Day!

The Safety Council of Greater Columbus and the Builders Exchange of Central Ohio present **Safety Day!** on Wednesday, Feb. 1, 2006 with more than twenty ways to:

- Meet your company's **eight-meeting requirement** for the BWC
- Effectively train **your company's employees** on a limited budget
- Network with **industry leaders and government agencies**
- Choose **safety topics** that directly impact the way you do business
- Earn continuing education credits from **AIA, OCILB, and BENHA!**
