

## AMBULANCE NETWORK

*Ohio's source for quality ambulance transportation*

**Cooperative Health Partners** is a Member owned, statewide Transportation Network providing access to high quality, cost effective, community based transportation providers through service coordination, one phone number and one bill. Comprised of sixteen of Ohio's premier transportation companies, CHP was established on April 23, 1997. Strategically positioned Members around the state provide access to coverage in all 88 Ohio counties and contiguous counties in Kentucky and Indiana. Each Member has an equal vote regarding the network, guarantees quality service, and is available to personally address any questions or concerns.

### CHP Member Providers

Each CHP Member is a leader in the transportation industry with an average of 30 years of experience. All Members have local, community-based programs, excellent reputations and a deep commitment to community roots. Every Member company can demonstrate an excellent performance record, is licensed by the Ohio Ambulance Licensing Board, and has been carefully credentialed by our Quality Standards and Assurance Committee. CHP Members staff their vehicles with highly trained, experienced Paramedics and Emergency Medical Technicians, Critical Care Nurses and Pilots. All clinical personnel have special training in transportation services and are licensed by the state.

Our owner/members are:

*Action Emergency Ambulance  
Bartley Ambulance  
Columbus Connection  
Community Care Ambulance  
Courtesy Ambulance  
Donald Martens & Sons Ambulance

### CHP Member Provided Services

The CHP Members are responsible for providing the following types of services:

- Basic Life Support (BLS) - Ambulance
- Advanced Life Support (ALS) - Ambulance
- Ambulette - Wheelchair
- Mobile Intensive Care Units (MICU)
- Air Ambulance - Helicopter

### CHP Member Provider Easy Access

All services offered through the CHP network can be accessed by calling (800) 547-2642 where our dispatchers will take all pertinent information and contact the appropriate provider based upon the client's geographic location. With all administrative services centralized our CHP clients receive only one bill. ONE PHONE CALL, ONE CONTACT, ONE BILL.
